Corrigendum

Corrigendum to “Effects of cadmium on the activities of photosystems of *Chlorella pyrenoidosa* and the protective role of cyclic electron flow” [Chemosphere 93 (2013) 230–237]

In presenting the calculation of the quantum yield of photosystem I, $Y(I)$, the authors erroneously presented the wrong equation: Equation (4), page 232.

The right equation of $Y(I)$ is $Y(I) = (P'_m - P)/P_m$, where ‘ $-P$ ’ was missed in the previous version.
